MINUTES OF REGULAR COUNCIL MEETING
VERSAILLES MUNICIPAL BUILDING/5:30 P.M.

ROLL CALL: COUNCIL MEMBER LISA JOHNSON PRESIDED OVER THE MEETING. ALSO PRESENT WERE COUNCIL MEMBERS CHANTEL BINGHAM, MARY BRADLEY, LAURA DAKE, GARY JONES, AND ANN MILLER. CITY ATTORNEY BILL MOORE WAS ALSO PRESENT.

DEPT. HEADS: BART MILLER, MIKE MURRAY, T.A. RANKIN, AND ELIZABETH REYNOLDS WERE PRESENT REPRESENTING THEIR RESPECTIVE DEPARTMENTS.

MOTION BY BINGHAM, SECONDED BY JONES TO APPROVE AND ADOPT THE MINUTES OF THE SEPTEMBER 30, 2024 SPECIAL COUNCIL MEETING.

The vote was as follows: Bingham, Bradley, Dake, Johnson, Jones and Miller voting aye.

Council member Dake noted that the draft of the October 1st minutes include a statement regarding a public comment from resident Eddie Galbreath which should be corrected to state that he was there to speak regarding “the ceasefire in Gaza”. Ms. Dake stated that Mr. Galbreath had stopped in prior to the start of tonight’s meeting to distribute a Resolution to the council members in support of the ceasefire.

MOTION BY BRADLEY, SECONDED BY MILLER TO APPROVE AND ADOPT THE MINUTES OF THE OCTOBER 1, 2024 REGULAR COUNCIL MEETING AS AMENDED.

The vote was as follows: Bingham, Bradley, Dake, Johnson, Jones and Miller voting aye.

Public Comment

Joan Parton read a letter, signed by herself and twenty-two other residents of Margaret Hall, in opposition of Council member Ann Miller’s candidacy for Mayor.

Magistrate Larry Blackford spoke in support of Council member Mary Bradley’s candidacy for Mayor, noting her more than thirty years of experience.

William Sanders, NAACP Chairperson, thanked the council for their monetary support of the recent NAACP Banquet and thanked those that were able to attend.

Bob James, HOA Board President, addressed the council regarding two items. First, he encouraged the City to apply for a tree planting matching grant offered by Kentucky Utilities. He noted that the grant provides up to \$5,000 for the purchase of trees. Secondly, he asked the council to consider a Neighborhood Grant Application from The Shire. He stated that while the Municipal Order states that it will not be considered until February because they have already received the grant twice before, they would like to be considered because the planting they would like to do would be best done before winter. Mr. James also offered his assistance to any neighborhood that would like to apply for the grant but isn’t sure how to go about it.

Council member Johnson provided clarification on the mayoral vacancy and outlined the Kentucky Revised Statutes regarding the appointment of someone to fill the vacancy. She noted that Municipal Order 2023-01 gives her authority only to preside over city council meetings. She stated that Executive Order 2023-04 gives Council member Bradley executive authority in the absence of a mayor. Ms. Johnson stated that based on the opinion of City Attorney Moore, and KLC Attorney Morgain Patterson, any council member that is nominated for the vacancy should leave the room prior to a vote being taken. The vote would then be considered to pass with a 3-2 majority vote. She noted that this is the last scheduled meeting prior to the appointment going to the Governor and a special meeting can only be called with the signature of four council members.

Council member Dake stated that the Electronic Vehicle Charging Stations Ad-Hoc Committee had been working to find a way to offer EV charging stations in Versailles. She stated that they began discussions with Plug Spot LLC, a private company that currently has charging stations in Springfield and Campbellsville. Ms. Dake presented a contract with Plug Spot LLC for council approval. She noted that the committee worked with Tony Miles, Owner of Plug Spot LLC, to determine three locations to place two level 2 stations each. The tentative locations are the city lot off Rose Hill Avenue (beside Jane's School of Dance), the Versailles Presbyterian Church lot, and the Falling Springs parking lot near the Woodford Theater. She stated that the city lot location would be free, and each additional location would be fifty dollars per month. Ms. Dake stated that she had already met with the church who agreed to have the public chargers placed on their lot and Tourism had agreed to pay the monthly utility fee of \$50 for two years for the chargers at that lot. The City would be responsible for the \$50 monthly fee for the Falling Springs location.

Mr. Miles was present to provide further information about the chargers and the proposed contract. He noted that each location would have two level 2 charging stations with each station having the ability to charge two vehicles at a time so there would be four parking spaces designated for charging. He stated that his company charges \$0.30 per kilowatt of charge, which for example would mean an hour charge would cost about \$3.00. He said that a full charge, from zero to 100% would take about 3.5-4 hours, with most people charging for about 50 minutes at a time to reach a full charge. He noted that a level 2 station costs approximately \$10,000 installed and a level 3, which charges much faster, costs between \$100,000 and \$200,000 installed.

Council member Miller asked about having two locations (city lot off Rose Hill Ave and Versailles Presbyterian Church lot) within two blocks. She suggested just having one location downtown and then having charging stations somewhere on the Kroger end of Versailles would be more beneficial. Council member Dake and Public Works Director Miller both noted that the committee worked to find locations that were public lots and walkable to places where people could spend time while waiting for their vehicles to charge. Ms. Miller mentioned the city owned lot off Marsailles Drive being a possibility.

Ms. Dake stated that the hotel downtown had said that they had potential visitors call and ask about EV charging stations before booking reservations and were not able to visit since there isn't anywhere to charge their vehicles. Mr. Miller noted that this was part of their focus when determining locations as a committee.

Council member Jones asked about liability if the unit happened to malfunction and damage a vehicle that is being charged. City Attorney Moore agreed that he was not satisfied with the liability wording in the proposed contract. Mr. Miles stated that he would be happy to have his attorney reach out to Mr. Moore and come to an agreement on that language.

Rich Pictor, Executive Director of Parks & Recreation, serves on the EV Charging Stations Ad-Hoc Committee. He stated that they already see a significant number of electric vehicles at Falling Springs.

Council member Dake noted that everyone on the committee is in agreement on the proposed locations. She also stated that more locations could be added later.

MOTION BY JOHNSON, SECONDED BY DAKE TO APPROVE THE INSTALLATION AND MANAGEMENT OF ELECTRIC VEHICLE CHARGING STATIONS CONTRACT PENDING THE LANGUAGE IN SECTION 6 RELATING TO LIABILITY IS AMENDED TO MEET THE CITY ATTORNEY'S APPROVAL.

The vote was as follows: Bingham, Bradley, Dake, Johnson, Jones and Miller voting aye.

Council Miscellaneous/ Committee Reports

Council member Johnson noted that Bob James had spoken during the Public Comment portion of the meeting about a Kentucky Utilities grant and she stated that the application is due by the end of October. She requested council approval for the City to apply for the grant.
