Bid Specifications for FEMA Curriculum Equivalent Structural Collapse Specialist (SCS) Course Spring 2026

The winning bidder will need to adhere to the following parameters related to the course:

- Program to be delivered is FEMA USAR Structural Collapse Specialist 5.0
- Must follow the FEMA Training Program Administration Manual (TPAM) and utilize FEMA-certified instructors.
- All students will need to receive a Field Operations Guide (FOG manual), both digital and hard copy
- Bidders must provide an all-inclusive course (all materials and equipment needed to deliver the class) for 32 students. Versailles Fire and Bluegrass Emergency Response Team will provide a suitable crane and Telehandler for the appropriate days of the course.
- Materials and labor fees for pouring slabs need to be included in the bid. Versailles Fire Department will aid the bidder in supplying additional manpower as needed during the pour.

Summary

Any questions regarding the bid process or specifications should be directed to the Versailles Fire Chief T.A. Rankin at trankin@versaillesky.com or by calling 859-873-5829. The City of Versailles will utilize federal funding from the Homeland Security Grant Program to aid in the purchase.

The City of Versailles will not discriminate against any bidder on the grounds of race, color, national origin, sex, age, or disability.
